PRESS RELEASE FROM THE PREMIER, MR. DUNSTAN.

PUBLIC SERVICE SALARIES.

9.1.75.

Pay increases for senior South Australian public servants were today announced by the Premier, Mr. Dunstan.

The increases are "tapered" to provide for the larger increases at the lower end of the scale.

The new rates affect some 100 State public servants designated Class A - mainly senior administrators.

They at present earn between \$15,940 and \$26,038. The increases range from 3.7% to 13.6%.

The increases - combined with a new grading structure - are :

Present Class	Present Salary	Proposed Class	Proposed Salary	% Increase
A1	15940	E01	18000	13
A2	17215	E02	19500	13.3
A3	18490	E03	21000	13.6
A4	19816	E04	23000	8.8
A5	21142			
A6	22570	E05	25000	3.7
A7	24100			
A8	26038	E06	27500	5.6

Mr. Dunstan said it should be noted that increases were tapered in line with the Government's policy on wage and salary fixation.

The Premier said the officials affected had not had an increase since mid-1973.

Since then increases for magistrates, medical officers and other professional grades, had created anomalies. There had also been increases for comparable grades in the Commonwealth Public Service.

The increases were a "holding-operation" designed to offset the effects of inflation.
